AGENDA

1. Set Millage Rates for Fiscal Year 2013-2014

Village Manager Turner presented the proposed millage rates for Fiscal Year 2013-2014. The recommendation is for the General Levy to remain the same at 13.567 mills, for the Water Construction Levy to be reduced from 2.48 to 2.4 mills, and for the DWRP Water Tower Levy to be reduced from 1.755 to 1.7 mills. This would be the second year in a row where there is a slight reduction in the aggregate millage rate.

The annual garbage assessment would be reduced from \$169.68 to \$149.88 and a one-time credit of \$22.80 would be issued to each property assessed the fee of \$169.68 during the 2012-2013 fiscal year due to the renegotiation of the garbage collection contract.

The Special Meeting adjourned at 7:23 p.m.
